There is a reason why its called Operation Ghost Hunt , Each Unit in your squad is supposed to be a Ghost , Lurking in the Shadows while taking Enemy Ghosts out One by one. Battle is not an open war, they are strategic engagements ,in shot spans of matches.

- Prepare your squad for next opponent accordingly, based on the data available on enemy squad prior to a battle.
- In the battlefield you try to keep your squad hidden, while eliminating opponent's Ghost. Being hidden is the key as "a visible unit is a dead unit".

-
- Change the terrain by creating defenses around your Ghosts in eminent danger, while flanking on enemy and quickly finishing them off.
 - Use various Ghost Tactics and Expertise to gather information on enemy Positions and improvise, or Unleash Chaos over them.
 - Set up Ambushes Or Confuse Your enemy with false Information. Anything which wins you the Battle is fair.
