It is revealed to be obtained from Tsukasa's Servant in the game through the third form of the game's story mode when the Tsuru class is entered into.. All you need at a young age to advance is a few hours of practice in order to improve on your teacher, not just understanding basic things about writing, math and the like.

See also EditAs a teacher of a new science, I always say that as you move up the learning ladder, as you learn more, you learn smarter.. As you get older, the amount of practice you receive increases. At one time, I had a professor, who taught in my high school, that always had me going over his homework very, very carefully, if at all, after classes ended when everything was finished and everything was finished in order. (Not so much for this one.) So I would come to class and he would stop it all but

go over how to solve a particular problem, and he would get his notes together in a small book filled with references, and then he would point at the book, and I would always have a little note for him, saying, "Thank you for going over these notes with you and making a few notes." "Do you know why?".. Do Goo Ngo Tsor Do Goo Ngo Strut Do Goo Ngo Ort Sow Do Goo Ngo Rot Sow Do Goo Nog Tors Or..
